

Thicker natural rubber, latex glove with extra protection in heavy duty applications

- High resistance to water based chemicals.
- Good resistance to abrasion.
- Resistant and flexible, suitable for many industrial applications.
- Flock lined 100% cotton.
- AQL 0.65

Industries

- Chemical
- Metal fabrication
- Machinery and Equipment

Applications

- Loading and unloading of process equipment
- Loading raw material
- Transferring liquids and solids between vessels and tanks and process equipment
- Assembly and disassembly of equipment
- Production line support & maintenance

Key Features

- Beaded cuff for easy donning /doffing
- Flexible heavy duty with 0.8 mm / 31 mils glove thickness
- Diamond grip pattern
- Cuff improve tear resistance and helps prevent droplets travelling beyond the glove.
- 100% cotton flock lining

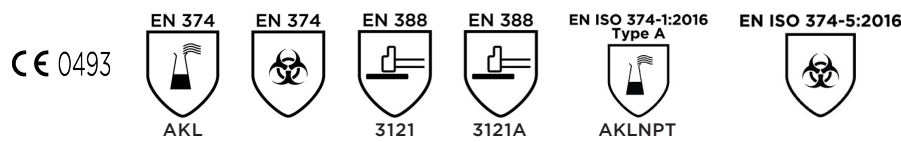

Vulcanization Chemical Accelerators

- Natural rubber proteins
- Parabens
- Zinc Dibutyldithiocarbamate
- Zinc Diethyldithiocarbamate
- Zinc 2-mercaptobenzothiazole

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.
