EDGE®
INDUSTRIAL WORK GLOVES

76-200

Soft and comfortable seamless glove for longer and more comfortable wear

Previously known as: Stringknits™76-200

Multi Purpose | Light Duty

Multipurpose, stretchable industrial gloves ensuring comfort for lightweight applications

- **Optimized flexibility:** Seamless by design and stretchable by nature, EDGE® 76-200 string-knit work gloves grant optimal flexibility for precise control, while reducing hand fatigue to ensure all-day usability
- **Elevated comfort:** As these latex- and silicone-free nylon work gloves are soft, lightweight and breathable, they may be comfortably worn alone or as glove liners
- **Increased versatility:** EDGE® 76-200 safety gloves offer better value and added protection as they can be conveniently worn on either hand, saving costs and time

Industries

- Automotive
