

Previously known as: Therm-A-Knit®78-101

Cold

Light Duty

## Knitted thermal safety gloves designed for comfort and cold protection

- **Improved insulation:** These thermal work gloves feature special hollow-core fibers that provide an excellent thermal insulation barrier between the skin and surrounding environment
- **Added comfort:** ActivArm® 78-101 cold weather gloves' automatic knit technology enable longer and more comfortable wear
- **Enhanced skin-friendliness:** These light-duty industrial gloves come in a seamless design that reduces friction and avoids skin discomfort and irritation
- **Genuine versatility:** For increased convenience, ActivArm® 78-101 cold weather work gloves are ambidextrous, fitting either hand
- **Maximized value:** Machine washable at a maximum temperature of 40°C, they are more hygienic and economical, and they make good food-handling gloves

#### Industries

- Automotive
- Food Processing

#### Applications

- Production line support & maintenance
- Storing packed meats
- Storing bottles and cans
- Storing of raw materials
