

Previously known as: MICROGARD® 1500 PLUS Lab Coat - Model 204

Breathable, silicone-free lab coat made from anti-static, SMS fabric.

- **Optimized breathability:** AlphaTec™ 1500 PLUS Lab Coat Bound – Model 204 delivers comfortable protection in general industrial environments, thanks to its air and water vapor permeable as well as anti-static, SMS material
- **Reduced contamination risks:** As this protective outer garment is silicone-free, it minimizes contamination risks, making it ideal for the life sciences and metal fabrication industries
- **Improved ergonomics:** In addition, this white protective over garment offers an optimized fit, which improves wearer comfort and workplace safety

Industries

- Chemical
- Life Sciences
- Automotive

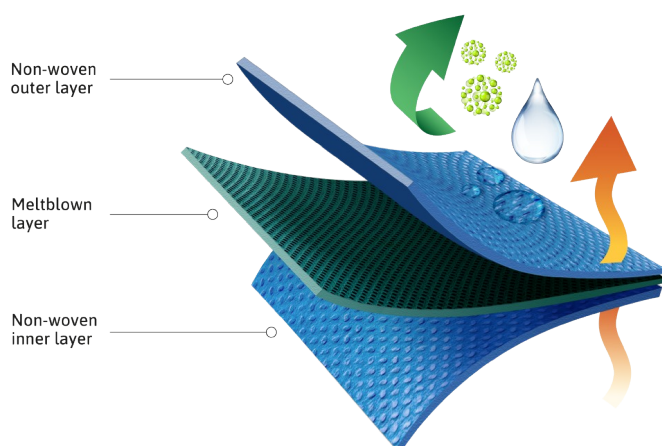

Applications

- Unpacking of bulk goods
- Production line support & maintenance
- Assembly & inspection of components

KEY FEATURES & BENEFITS

- ◊ **Air and water vapor permeable:** For comfortable personal protection
- ◊ **Silicone-free design:** Barrier lab coat ensuring clean surfaces
- ◊ **Optimized body fit:** Protective garment combining comfort and safety
