

11-135Antistatic glove

Previously known as: PU610DGAS

Antistatic multi-purpose gloves, delivering heightened comfort and dexterity

- **Specialized protection:** With EN 16350:2014 certification for protection from electrostatic discharge, HyFlex[®] 11-135 antistatic gloves can prevent costly accidents and damage to products
- Augmented dexterity: Stretchable stitches and a light, finger-dipped polyurethane coating grant these HyFlex[®] gloves added dexterity and tactility
- Considered aesthetics: HyFlex[®] 11-135 industrial gloves' polyamide liner boasts high levels of tenacity, producing very little lint despite extensive use
- Elevated comfort: A seamless, flexible design also ensures comfortable personal protection
- Genuine versatility: HyFlex[®] 11-135 industrial safety gloves are highly versatile, being touchscreen compatible and appropriate for diverse applications
