HyFlex™

11-728

Dexterity with superb cut resistance for optimal productivity

Cut | Medium Duty

Cut-resistant work gloves with an extended knitwrist, deftly blending comfort and dexterity

- **Assured protection:** Developed with INTERCEPT™ Cut Resistance Technology, HyFlex™ 11-728 medium-duty safety gloves allow wearers to handle sharper components
- **Elevated comfort:** With a HPPE and Lycra™ liner, they deliver superb comfort and flexibility, ensuring sustained worker productivity
- **Strengthened grip:** Designed with PU coating, these industrial gloves boast excellent dexterity and grip in both dry and moderately oily conditions
- **Enhanced features:** Their extended knitwrist afford wearers additional forearm and wrist protection

Industries

- Automotive
- Construction
- Glass manufacturing
- Maintenance
- Metal fabrication
- Aerospace

Applications

- Press injection molding
- Glass repair and replacement
- Assembling metal parts and components
- Assembly of white goods

HyFlex™
