

## Comfortable nitrile work gloves, delivering advanced mechanical and chemical protection

- **Advanced protection:** AlphaTec™ 58-330 hand protection gloves are coated with a superior nitrile film for excellent protection against chemicals, snags, punctures and abrasion
- **Elevated comfort:** These protective gloves feature AQUADRI™ Moisture Management Technology, which offers a highly absorbent inner soft foam coating that reduces sweat buildup significantly, providing greater comfort and performance
- **Enhanced grip:** The AlphaTec™ 58-330 abrasion-resistant gloves' reverse lozenge palm finish ensures a secure wet and dry grip
- **Added feature:** The foldable cuff gutter on these green chemical gloves prevents dripping on the forearm
- **Food handling compliance:** As these food safety gloves comply with the FDA food handling requirements, they are suitable for food applications

### Industries

- Automotive
- Automotive Aftermarket
- Metal fabrication

### Applications

- Assembly & inspection of components
- Oil, fluids and filter change
- Painting or cleaning tools or robots
- Plating, coating, sealing, painting
- Handling incoming goods
- Transferring liquids and solids
- Opening and draining pumps valves or lines
- Transferring liquids and solids between vessels and tanks and process equipment
- Opening furnaces draining pumps valves or lines and crackers BTX process
- Cleaning furnaces, distillation pumps, valves or lines and crackers BTX process

# AlphaTec™

## 58-330

Chemical gloves with new AQUADRI™ moisture management technology

### Key Features

- ♦ **High-performance nitrile compound:** Superior mechanical protection
- ♦ **AQUADRI™ Technology:** Cooler and dryer safety gloves for extended wear
- ♦ **Reverse lozenge palm finish:** Improved wet and dry grip

### Vulcanization Chemical Accelerators

- Zinc Diethyldithiocarbamate (ZDEC)

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.

### Technologies

 **AQUADRI™**  
Moisture Management Technology

### Performance Standards

EN388: 2016

3101X

EN ISO 374-1:2016

JKLOPT

EN ISO 374-5:2016
