

EDGE™

48-710

Heavy Duty Cut Resistant Industrial
Gloves

Cut

Heavy Duty

Robust industrial gloves, affording high cut and puncture resistance and a secure grip

- **Reduced health and safety risks:** EDGE™ 48-710 high-quality work gloves' seamless construction prevents hand discomfort, while their elastic knitwrist ensures a secure and snug fit
- **Enhanced protection:** Besides satisfying EN 420 and EN 388 safety requirements, these durable work gloves are made from para-aramid yarn, which blends high-level cut protection (ANSI A4 and EN ISO D) with moderate heat contact resistance, to provide greater defense against hazardous mechanical risks
- **Advanced durability:** Three-quarter dipped in natural latex rubber, the budget-friendly EDGE™ 48-710 safety gloves grant excellent grip in wet and dry conditions owing to their wrinkled finish

Industries

- Glass manufacturing
- Recycling and Waste Disposal
- Construction
- Automotive

Applications

- Handling of glass sheets, sharp edged objects
- Handling of metal sheets, cutting of dry, painted or galvanised pieces
- Heavy duty handling: where sensitivity is also required

EDGE™

48-710

Heavy Duty Cut Resistant Industrial Gloves

Key Features

- ◆ **Seamless design:** For protective gloves that prevent skin irritation
- ◆ **Para-aramid yarn:** Greater protection against cuts, punctures and burns
- ◆ **Natural latex rubber coating:** For hardy yet comfortable work gloves

Performance Standards & Regulatory Compliance
