

# Picosoft DG

Economical protection for lightweight applications

Multi Purpose

Cut

Light Duty

## Light-duty polyurethane gloves combining safety and cost-effectiveness

- **Specialized protection:** Picosoft DG, fingertip-dipped polyurethane gloves are designed for light and delicate applications in dry environments
- **Enhanced grip:** These hand protection gloves feature PVC dots on the palm, improving grip performance
- **Elevated comfort:** Picosoft DG protective gloves are made of fine and stretchable stitches, which offer excellent comfort as well as great tactility and dexterity, resulting in precise and safe handling

# Picosoft DG

Economical protection for lightweight applications
