

EDGE™

48-122

Light Duty multi-purpose Industrial
Gloves

Multi Purpose

Light Duty

Light-duty gloves, ensuring high dexterity and tactility in dry to slightly oily conditions

- **Augmented dexterity:** EDGE™ 48-122 protective gloves are made from a 13-gauge polyester liner that is highly comfortable and dexterous
- **Reduced contamination risks:** These inexpensive white polyurethane gloves show dirt contamination more easily, thus increasing hand safety and hygiene
- **Elevated comfort:** Combining a seamless knitted liner with elasticized knitwrist dipped into white PU coating, EDGE™ 48-122 industrial gloves provide better flexibility and dexterity than cotton canvas or thick cotton gloves
- **Added convenience:** These high-quality work gloves come in sizes 5 to 11 and are easily identified by their overedge color code

Industries

- Automotive
- Automotive Aftermarket
- Electronics
- Energy
- Machinery and Equipment
- Transportation

Applications

- Inspection (picking, checking and marking)
- General handling
- Assembly of small parts
- Packaging
