

EDGE™

48-123

Light Duty multi-purpose Industrial
Gloves

Multi Purpose

Light Duty

Versatile, high dexterity protective gloves designed for dry to slightly oily environments

- **Augmented dexterity:** By combining a seamless knitted liner with an elasticized knitwrist dipped into black polyurethane coating, these high-quality gloves provide better flexibility, dexterity and durability than standard cotton canvas and thick cotton gloves
- **Improved practicality** Available in sizes 5 to 11 and featuring an overedge color code, EDGE™ 48-123 black safety work gloves are more cost-effective, as they show less dirt and are discarded less quickly
- **Guaranteed comfort:** EDGE™ 48-123 protective work gloves possess a seamless structure that offers good pliability, allowing a full range of movements while enhancing hand safety

Industries

- Automotive
- Automotive Aftermarket
- OEM
- Electronics
- Energy
- Transportation

Applications

- Inspection (picking, checking and marking)
- General handling
- Assembly of small pieces
- Packaging

EDGE™

48-123

Light Duty multi-purpose Industrial Gloves

Key Features

- ♦ **13-gauge polyester liner:** Flexibility, dexterity and comfort assured
