Hynit®

32-125

Good resistance to abrasion with remarkable flexibility

Oil | LD Light Duty

Light, comfortable and abrasion-resistant gloves providing food handling compliance

- **Improved durability and flexibility:** Hynit™ 32-125 industrial gloves utilize a special nitrile formulation that afford superior abrasion resistance and flexibility
- **Added protection:** Thanks to their liquid-repellent impregnation, these safety gloves resist oil, grease and dirt, enhancing personal protection
- **Food handling compliance:** In addition, Hynit™ 32-125 hand protection gloves are compliant with FDA food handling requirements

Industries

- Automotive
- Machinery and Equipment
- Metal fabrication
- Mining

Applications

- Assembly & inspection of components
- Delivery of parts to production line
- Seizing structural parts
- Loading and unloading rough parts or boxes
- Final assembly
- Handling application & cleaning tools
- Shipping and loading of product

Hynit®
