

Previously known as: Winter Monkey Grip®

Cold

Heavy Duty

Versatile heavy-duty work gloves, ensuring warm, dry hand protection in cold conditions

- **Specialized protection and durability:** Strengthened by their robust yet flexible PVC coating, ActivArm™ Winter Monkey Grip 23-173 protective gloves shield users from low temperatures, while repelling abrasion, water, oil and grease
- **Increased comfort:** These PVC-coated gloves contain foam-insulating components that keep hands warm and dry, while their fingers, wing thumb and soft jersey cotton lining provide excellent comfort
- **Assured grip:** In addition to protecting hands from cooler temperatures, ActivArm™ Winter Monkey Grip 23-173 work gloves offer superb grip for handling heavy objects
- **Certified cold resistance:** These heavy-duty gloves also comply with EN 511-111 contact cold standards

Industries

- Metal fabrication
- Automotive

Applications

- Production line support & maintenance
- Handling materials with sharp or rough edges
- Handling application & cleaning tools
- Fabricating metal parts, glass sheets
- Equipment repair & maintenance
