

Jacket and trouser set featuring superior breathable microporous laminate technology.

- **Increased protection:** The AlphaTec® 2000 Ts PLUS Jacket and Trouser Set Stitched & Taped - Model 219 grants a proven protective barrier to low concentration liquid chemicals, liquid and particulate biological hazards
- **Elevated comfort:** Thanks to its breathable, moisture vapor permeable fabric, this protective suit ensures comfort, while protecting workers from heat stress
- **Optimized fit:** In addition, this chemical protective suit's optimized body fit increases personal protection as well as comfort
- **Reduced contamination risks:** As this protective body suit is ultra low-linting and free from silicone, it reduces contamination risk and is ideal for critical areas as well as spray painting applications

Industries

- Life Sciences
- Automotive
- Metal fabrication
- Food Processing
- Chemical

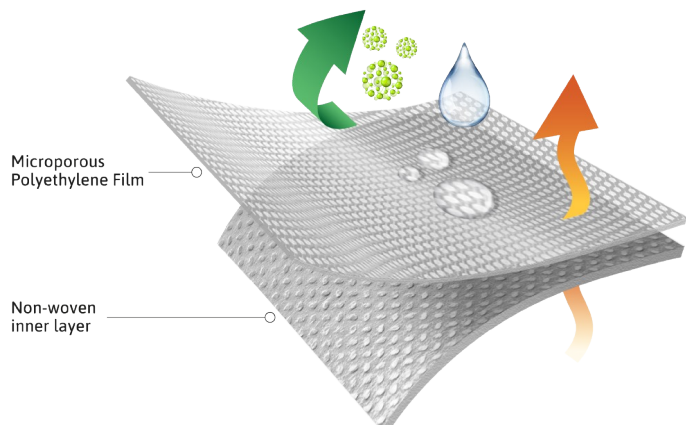

Applications

- Product inspection
- Loading and hauling
- Fibre Glass/Resin Applications/Ceramic Fibres
- Body painting including surface inspection
- Cleaning of plant and machines
- Maintaining lab furniture and equipment

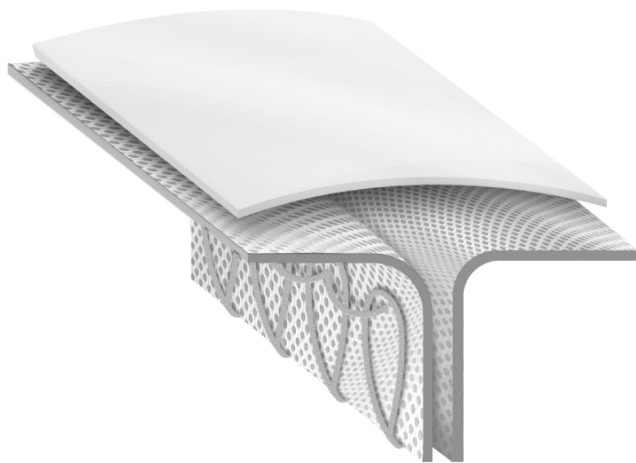

KEY FEATURES & BENEFITS

- **Moisture vapor permeable fabric:** Optimal heat stress protection
- **Optimized body fit:** Improves comfort and safety
