

Ultralight, highly tactile food processing gloves, specially treated to reduce allergy risks

- **Food handling compliance:** AlphaTec™ 87-195 safety gloves possess EU and FDA food handling certification
- **Reduced allergens:** They are also specially treated to reduce the risk of allergic reactions
- **Elevated comfort:** AlphaTec™ 87-195 industrial gloves benefit from 100% cotton-flocked lining, lessening perspiration and discomfort
- **Specialized protection:** They also boast EN 374 Type B chemical defenses, protecting against mild acids, animal fats, oil, detergents and alcohols
- **Heightened tactility:** Their super-thin composition means they boast high levels of tactile sensitivity, for more precise handling
- **Augmented dexterity:** An ultra-lightweight design also makes these AlphaTec™ gloves dexterous and maneuverable

Industries

- Janitorial / Sanitation
- Food Processing
- Agriculture
- Industrial

Applications

- Laboratory maintenance and clean up
- Janitorial use
- Fruit and Vegetable Processing
- Cleaning
- All food processing applications that have food contact

AlphaTec™
