

AlphaTec™

87 739

Heavyweight natural rubber supported glove with cotton liner

Previously known as: Hy-Care™ 739

Supported natural rubber gloves offering superb durability, comfort, flexibility and grip

- **Elevated comfort:** AlphaTec™ 87-739 supported chemical-resistant gloves feature a generous cotton interlock liner designed to deliver elevated hand comfort
- **Augmented dexterity:** These flexible, high-dexterity work gloves are made from premium grade natural rubber latex to ensure excellent durability and wearability, protecting hands in various hot and cold situations
- **Heightened grip:** As they possess a rough- and thick-textured outer finish, these blue heavy-duty rubber gloves provide superb wet and dry grip

Industries

- Food Processing

Applications

- Janitorial use
- Fruit and Vegetable Processing
- All food processing applications that have food contact
- Chemical Handling
