

EDGE™

16312

The most cut resistant, comfortable and cost effective glove of its kind

Cut

Heavy Duty

Heavy-duty natural rubber latex protective gloves offering superior durability and grip

- **Optimized durability:** EDGE™ 16-312 work gloves feature a premium, abrasion and tear-resistant latex coating with a crinkled finish, which results in an outstanding grip on dry and wet surfaces, in addition to a longer wear life as well as moderate cut protection
- **Elevated comfort:** For assured comfort and flexibility when performing demanding tasks, these hand protection gloves are fitted with soft jersey knit lining that provides cushioning without sacrificing dexterity
- **Food handling compliance:** EDGE™ 16-312 safety gloves are made from FDA-compliant materials and are among the more cost-effective options available

Industries

- Agriculture

Applications

- Utilities
- Handling of tools

EDGE™
