

Cut

Heavy Duty

## Heavy-duty natural rubber latex protective gloves offering superior durability and grip

- **Optimized durability:** EDGE® 16-312 work gloves feature a premium, abrasion and tear-resistant latex coating with a crinkled finish, which results in an outstanding grip on dry and wet surfaces, in addition to a longer wear life as well as moderate cut protection
- **Elevated comfort:** For assured comfort and flexibility when performing demanding tasks, these hand protection gloves are fitted with soft jersey knit lining that provides cushioning without sacrificing dexterity
- **Food handling compliance:** EDGE® 16-312 safety gloves are made from FDA-compliant materials and are among the more cost-effective options available

### Industries

- Agriculture

### Applications

- Utilities
- Handling of tools

### Key Features

- **Crinkled finish:** Added grip, reduced tension, increased efficiency
- **Soft jersey knit liner:** Lightweight yet breathable work gloves
- **FDA-compliant materials:** For safe and hygienic food handling gloves

### Performance Standards & Regulatory Compliance

ANSI/ISEA 105-2024

EN388: 2016

X141B
