

EDGE™

40105

Designed for excellent grip in oily applications

Multi Purpose

Cut

Medium Duty

Multipurpose nitrile-coated gloves, offering superior snag, puncture and abrasion resistance

- **Advanced durability:** With 10 times greater durability than standard 8-ounce cotton gloves, EDGE™ 40-105 protective gloves offer superior resistance to snags, punctures, oils and abrasions, besides featuring porous nitrile coating that repels oils to provide an excellent grip on oily surfaces
- **Optimized ergonomics:** EDGE™ 40-105 hand protection gloves' soft, flexible coating molds to the hand to provide greater dexterity
- **Enhanced comfort:** Thanks to their ergonomic and seamless design, these safety gloves offer form-fitting comfort
- **Food handling compliance:** These food grade gloves are composed of FDA-compliant materials and are safe for food packaging

Industries

- Automotive

Applications

- Delivery of parts to production line
- Delivery of vehicles to expedition area
- Driving fork lifts, trailers
- Delivery of finished equipment

EDGE™

40105
