

11-953

High flexibility and dexterity for an optimum comfort in use

Previously known as: Nitrotough™N1500PF

l Light I

Abrasion-resistant light-duty gloves, affording high flexibility and dexterity

- Specialized protection: HyFlex® 11-953 hand protection gloves feature a rough water-based polyurethane and nitrile palm coating, which provides remarkable protection against oil, and provide a safe grip in oily and food environments
- Elevated ergonomics: These industrial gloves are thin, flexible and dexterous, resulting in outstanding comfort
- Advanced defenses: HyFlex® 11-953 abrasionresistant gloves provide extra hand protection, reducing the risk of workplace injuries

Industries

- Agriculture
- Construction
- Food Processing
- Machinery and Equipment
- Metal fabrication

Applications

- Assembly and finishing
- Assembly of white goods
- Maintenance
- Preparation of site unloading of lines and valves
- Metal Fabrication
- General handling
- Quality control

11-953

High flexibility and dexterity for an optimum comfort in use
