

MICRO-TOUCH™ NITRA-TEX™

M u l t i - P u r p o s e

Nitrile glove that provides superior grip and durable protection

- **Comfortable fit:** Made from a soft nitrile formulation for a comfortable fit and feel
- **Enhanced durability:** Designed for strength and tear resistance
- **Easy donning:** The chlorinated inner coating facilitates easier donning
- **Food handling compliance:** Certified as food handling gloves, ensuring practical use in a variety of food contact applications
- **Reduced allergy risk:** Nitrile material reduces risk of latex Type I allergies

Recommended For

- Assembly and inspection of components
- Assembly of parts
- Food contact
- Food processing and handling
- Inspection of parts, equipment
- Inspection of primary product
- Picking parts and accessories
- Product inspection
- Maintenance
- Packaging and labeling

MICRO-TOUCH™ Everyday, Everywhere Protection

MICRO-TOUCH™ premium medical examination gloves are scientifically designed to complement every need of medical professionals. Sophisticated design features include Ansell ergonomic technologies that ensure comfort during extended procedures, wet grip innovations that prevent harmful mishandling, and micro-thin films for maximum sensitivity. Caregivers who are fully prepared and comfortably protected by versatile MICRO-TOUCH styles have the peace of mind to focus on what matters most: the health and protection of themselves and their patients.

MICRO-TOUCH™ NITRA-TEX™
