# Touchscreen-compatible impact and cut protection gloves, for hand safety and ease of use

- **Advanced defenses:** RINGERS® R167 impact gloves feature a TPR (thermoplastic rubber) design with F3 Technology™, providing ANSI/ISEA 138-2019 Level 1 protection for the knuckles, thumb, and entire length of the fingers
- **Strengthened grip:** Thanks to their durable synthetic leather palm, these RINGERS® gloves offer excellent grip, for more assured hand protection
- **Improved durability:** Their reinforced thumb, index and middle fingertips enhance durability, while a wraparound index finger design limits wear and tear
- **Increased comfort:** A padded palm also grants wearers high levels of additional comfort
- **Enhanced features:** These impact gloves' high-visibility design and touchscreen-compatible thumb tips, index and middle fingers enhance safety and ease of use

### Industries

- Manufacturing
- Mining
- Energy
- Automotive
- Automotive Aftermarket
- Machinery and Equipment
- Utilities
- Warehousing

### Applications

- General Purpose Auto Aftermarket
- Handling structural and body components
- Body painting including surface inspection
