

## 87-137

## Lightweight unlined natural rubber glove

# Unlined, thin natural latex rubber gloves, offering superb dexterity and tactility

- Enhanced flexibility: Lightweight and thin, AlphaTec® 87-137 natural rubber latex-coated gloves grant flexible and comfortable hand protection
- Increased convenience: As these protective gloves possess beaded cuffs, they are easy to put on and remove
- Food handling compliance: AlphaTec® 87-137 food handling gloves are also suited for a broad range of food processing and service applications
- **Heightened grip:** Thanks to the honeycomb pattern on their palms and fingers, AlphaTec® 87-137 hand protection gloves deliver excellent wet and dry grip

- Food Processing
- Janitorial / Sanitation
- Chemical
- Infrastructure Maintenance

- Fruit and Vegetable Processing
- Food processing and meat packing applications
- Maintenance inspection
- Laboratory maintenance and clean up
- Chemical Handling
- Chemical processing and preparation
