

72-400Outstanding Mechanical Protection

Previously known as: VersaTouch®72-400

Cut

Medium Duty

Durable medium-duty food processing gloves, delivering advanced cut resistance with a secure fit

- Advanced defenses: HyFlex® 72-400 medium-duty industrial gloves' liner material combines fiber glass, HPPE, stainless steel, polyester and Lycra®, for truly advanced cut resistance capabilities
- Improved durability: Machine-washable with caustic cleaners, these safety gloves remain hard-wearing even after repeated laundering, with minimal compromise on durability or performance
- Increased flexibility: Their light to mediumweight spandex design also makes for form-fitting, highly flexible everyday comfort
- Genuine practicality: An ambidextrous design ensures these HyFlex® gloves are both practical and user-friendly
- Food handling compliance: In addition, they satisfy relevant FDA food handling requirements

Industries

Food Processing

Applications

- Defeathering and skinning
- Slicing, cutting and shopping
- · Steaming, frying and roasting
- Marinating
- Storing packed meats
- Storing and transportation
- Equipment maintenance and repair

72-400 **Outstanding Mechanical Protection**
