# Highly cut-resistant waterproof impact gloves, with a nitrile-dipped palm for excellent dexterity

- **Enhanced grip and dexterity:** RINGERS™ R080 cut-resistant gloves feature a breathable knit shell with a nitrile-dipped palm, ensuring comfort and dexterity, while a sandy finish delivers excellent grip in wet and dry environments
  - **Added safety and comfort:** These RINGERS™ gloves' waterproof liner keeps hands comfortably dry
  - **Specialized protection:** Developed with F3 Technology™ and a patented TPR (thermoplastic rubber) design covering knuckles, thumb and full length of the fingers, these work gloves minimize impact hazards\* and offer highly advanced 360° cut resistance\*\*
  - **Enhanced features:** RINGERS™ R080 impact gloves also boast a high-visibility palm and finger design, for added safety, as well as touchscreen-compatible thumb tips, index and middle fingers
- \*ANSI/ISEA 138-2019 Level 2 impact protection  
\*\*ANSI/ISEA 105-2024 CUT A6 and EN ISO F protection
