Medium Duty

# Insulated cut-resistant impact gloves, with a waterproof barrier to keep hands warm and dry

- **Specialized protection:** With a patented TPR (thermoplastic rubber) design, developed with F3 Technology™, RINGERS® R176 work gloves ensure knuckles and finger-length impact protection
- **Enhanced grip and cut resistance:** An additional palm layer, with grip-enhancing PVC patches, offers both advanced cut resistance and excellent grip
- **Added defenses:** Their proprietary waterproof barrier and 70g Thinsulate™ insulation guards against the elements, protecting hands while keeping them warm and dry
- **Enhanced features:** These RINGERS® gloves also feature an extended cuff with gaiter closure and increased visibility material with reflective cuff piping, for enhanced user safety, as well as touchscreen-compatible thumb tips, index and middle fingers

### Industries

- Construction
- Energy
- Chemical
- Automotive Aftermarket
- Mining

### Applications

- Chaining up pipes
- Installation and dismantling of rigs
- Assembly of parts
- Assembly and disassembly of large pipes
- Unloading and stacking pipe
- Preparation of site - unloading of lines and valves
- General pumping work
- Handling iron
- Handling of tools
- Maintenance
- Operating of heavy machinery
- Cold Storage

## R-176

Insulated, waterproof impact gloves,  
with insulation and waterproof barrier  
to keep hands warm and dry

### Key Features

- **Patented TPR design:** Knuckles, thumb and finger-length impact protection
- **Additional palm layer with PVC patches:** Superb cut resistance and grip
- **Waterproof barrier and 70g Thinsulate™ insulation:** Warm, dry hands

### Technologies

**Touchscreen Compatible**

### Performance Standards & Regulatory Compliance
