

Cold

Medium Duty

Fully-coated and insulated nitrile gloves, ensuring outstanding comfort in cold conditions

- **Heightened durability:** By combining durable nylon and nitrile, ActivArm® 80-409 general-purpose protective gloves are able to repel water and resist wind, while protecting hands with outstanding insulation for temperatures as low as -15°C/5°F and delivering superior grip in wet conditions via a rough finish
- **Optimized comfort:** These warm insulated gloves are composed of a dual-layer and thin seamless knit, thermal terry loop acrylic liner, which grants a high level of comfort
- **Added protection:** ActivArm® 80-409 safety gloves' elastic knitwrist affords a secure fit, providing additional wrist protection for mediumweight tasks
- **Reduced risks:** These silicone-free industrial gloves ensure product protection and are suitable for food applications

Industries

- Agriculture
- Construction
- Food Processing
- Shipping

Applications

- Outdoor Winter Use
- Maintenance
- Cold Storage
- Street cleaning and refuse collection

Previously known as: PowerFlex®80-409

Key Features

- **Fully dipped nitrile coating:** Advanced abrasion resistance and grip
- **Thermal terry loop acrylic liner:** For genuinely cold-resistant gloves
- **Elastic knitwrist:** For form-fitting and comfortable hand protection

Performance Standards & Regulatory Compliance
