

White heavy-duty PVC protective apron, for protection from chemicals, punctures, abrasion, oils, and more

- Specialized protection: The AlphaTec[®] 56-101 white protective apron is made from 18 mil die-cut PVC material, which delivers chemical splash protection and helps it withstand oils, grease, punctures and abrasion
- Optimized fit: Designed with sealed grommets and 48-inch ties, wearers can easily adjust this PVC apron for a comfortable fit
- Improved durability: This AlphaTec[®] protective apron's vinyl construction also ensures it remains durable over time

Industries

- Food Processing
- Life Sciences

Applications

- Packing of fillets and ground meat
- Canning
- Bottling
- Storing and transportation
- Equipment maintenance and repair
- Plant disinfection and sanitization
- Transferring liquids

56-101 **PVC Aprons**
