

Previously known as: Orange Heavyweight 87-208

Thick natural latex rubber gloves, providing greater protection for heavy-duty applications

- **Advanced protection:** AlphaTec® 87-208 heavy-duty chemical-resistant gloves are 50% thicker (0.73mm/29 mil) than standard flock-lined alternatives, withstanding various fats, ketones, salts, detergents, alcohols, and alkalis
- **Enhanced cleanliness and durability:** They undergo a chlorination treatment that cleanses and hardens their external surface
- **Elevated comfort:** Designed with 100% cotton flocking, these heavy-duty protective gloves absorb moisture and sweat, for greater wearer comfort
- **Assured quality:** In addition, these AlphaTec® gloves achieve an AQL of 1.5

Industries

- Construction
- Infrastructure Maintenance
- Janitorial / Sanitation
- Metal fabrication
- Chemical
- Utilities
- Warehousing

Applications

- Maintenance of plant and machines
- Chemical Handling
- Janitorial use
