

R-270

Setting the bar for Heavy Duty impact protection.

Impact

Heavy Duty

Specially designed heavy-duty impact gloves, with oil-resistant grip and cut protection

- **Specialized protection:** RINGERS® R270 impact gloves feature a Heavy Impact Protection (HIP) system, offering superb knuckle, thumb and finger-length defenses against impact hazards
- **Heightened dexterity and comfort:** Integrated F3 Technology™ and a patented TPR (thermoplastic rubber) design ensure dexterity and comfort
- **Strengthened grip:** These heavy-duty gloves also boast a Silicone Dot® grip system around the palm, boosting grip and oil repellence
- **Enhanced features:** Thanks to their increased visibility extended airprene wrist closure and TPR pull tab, these heavy-duty work gloves offer both enhanced safety and a secure fit
- **Superior durability:** In addition, a Kevlar®-stitched palm reinforces these impact gloves' durability while offering greater cut resistance

Industries

- Oil and gas
- Machinery and Equipment

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Hydraulic repair
- Re-fuel oil fluid and diesel

R-270
