

R-270 Setting the bar for Heavy Duty impact protection.

Specially designed heavy-duty impact gloves, with oil-resistant grip and cut protection

- Specialized protection: RINGERS[®] R270 impact gloves feature a Heavy Impact Protection (HIP) system, offering superb knuckle, thumb and fingerlength defenses against impact hazards
- Heightened dexterity and comfort: Integrated F3 Technology[™] and a patented TPR (thermoplastic rubber) design ensure dexterity and comfort
- Strengthened grip: These heavy-duty gloves also boast a Silicone Dot[®] grip system around the palm, boosting grip and oil repellence
- Enhanced features: Thanks to their increased visibility extended airprene wrist closure and TPR pull tab, these heavy-duty work gloves offer both enhanced safety and a secure fit
- Superior durability: In addition, a Kevlar[®]-stitched palm reinforces these impact gloves' durability while offering greater cut resistance

Industries

- Oil and gas
- Machinery and Equipment

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Hydraulic repair
- Re-fuel oil fluid and diesel

Key Features

- Heavy Impact Protection (HIP) system: Advanced impact protection
- Silicone Dot[®] grip system: Excellent grip and strong oil resistance
- Airprene wrist closure with TPR pull tab: Better fit, greater safety

Performance Standards & Regulatory Compliance
