

AlphaTec™

87-950

Extra heavy duty natural rubber glove
with flocked lining

Previously known as: Extra 87-950

Thick natural latex rubber gloves, granting superior protection for heavy-duty applications

- **Advanced defenses:** With 0.73mm/29 mil thickness, AlphaTec™ 87-950 black protective gloves are 50% thicker than standard flock-lined gloves, for greater durability and superb mechanical and chemical resistance*
- **Increased comfort:** Thanks to their pure cotton flock lining, AlphaTec™ 87-950 hand protection gloves also absorb perspiration, keeping hands dry and comfortable with sustained wear
- **Enhanced cleanliness:** These chemical-resistant gloves also undergo an external chlorination treatment, for added cleanliness
- **Assured quality:** In addition, they boast an AQL of 1.5

**protects against ketones, salts, detergents, alcohols, alkalis and fats*

Industries

- Construction
- Automotive
- Infrastructure Maintenance

Applications

- Maintenance of plant and heavy equipment
- Janitorial use
- Chemical processing and preparation

AlphaTec™
