

Thin, versatile chemical-resistant gloves that deliver comfortable hand protection

- **Elevated comfort:** AlphaTec® Solvex® 37-675 industrial gloves' cotton flocking absorbs sweat, for greater wearer comfort
- **Augmented dexterity:** Their 15 mil/0.38mm thickness results in heightened dexterity
- **Specialized protection:** A high-performance nitrile compound composition delivers EN 374 Type A chemical resistance
- **Improved durability:** Their nitrile composition offers these AlphaTec® gloves greater resilience than neoprene or rubber equivalents of a similar thickness, with EN and ANSI level 4 abrasion resistance
- **Genuine versatility:** AlphaTec® Solvex® 37-675 safety gloves are suitable in both wet and dry conditions

Industries

- Aerospace
- Automotive
- Food Processing
- Food Service
- Industrial
- Oil and gas
- Agriculture
- Machinery and Equipment
