

16-500

An ergonomical designed glove with natural rubber coating on an interlock liner

Previously known as: Gladiator® 16-500

Heavy-duty, natural rubber-coated interlock liner, offering excellent wet and dry grip

- **Reinforced grip:** The multipurpose EDGE® 16-500 safety gloves feature a crinkled finish that provides an excellent grip in wet and dry conditions, affording secure handling and improving workplace safety
- **Increased comfort:** Shaped to natural hand contours and designed to provide support and cushioning, these versatile protective gloves guarantee greater comfort
- **Safety compliance:** EDGE® 16-500 CE-certified gloves comply with high safety, health and environmental protection requirements, and are ideal for the construction, glass manufacturing, recycling and waste disposal industries

Industries

- Construction
- Glass manufacturing
- Recycling and Waste Disposal

Applications

- Maintenance
- Handling dry, wet or oily large objects
- Trash collecting
