

HyFlex™

11-919

High flexibility and dexterity for an optimum comfort in use

Oil

Light Duty

Liquid-repellent gloves offering advanced durability, comfort and dexterity

- **Specialized protection:** HyFlex™ 11-919 light-duty industrial gloves are fully coated in nitrile, providing comprehensive protection from liquid, oil, grease and dirt
- **Improved durability:** Their nitrile coating also makes these safety gloves particularly hard-wearing, boasting EN level 4 abrasion resistance
- **Elevated comfort:** Manufactured with a seamless nylon liner, these liquid-repellent HyFlex™ gloves grant wearers high levels of dexterity and comfort
- **Food handling compliance:** In addition, they are suitable for varied food processing applications
- **Minimized health risks:** They are also Oeko-Tex™-certified as free of substances potentially harmful to human health, such as DMF

Industries

- Agriculture
- Automotive
- Construction
- Food Processing

Applications

- Assembly of white goods
- Maintenance
- Preparation of site - unloading of lines and valves
- Metal Fabrication
- General handling
- Quality control

HyFlex™

11-919
