Performance Standards

EN 14225-2:2017 HZ Chemical Resistance

Product Information

Product Information	
Color	Black, Red
Country Of Origin	Lithuania
Product Material	Blend of natural and synthetic rubbers (NR/EPDM) on a 2-way stretch knitted polyester lining
Product Reference	HD
Reinforcements	Additional layers of anti-slip textured rubber are applied to areas at risk of wear. The shoulders and zipper are reinforced. The front of the legs down to the boots, and around the boots are also protected from abrasion and puncturing.
Seam Type	Stitched and Taped
Available Sizes	M, L, XL, XXL
Standards Overview	<ul style="list-style-type: none">• EN 14225-2:2017• HZ chemical approval• BIO micro-organism approval

Suit Components & Accessories

Suit Components and Accessories	
Design Features	Rear entry. The suit material is heavy duty, built to withstand the rigours of diving in a harsh working environment. Whether the job is cleaning a ships hull, carrying out welding and inspection, or clearing a fouled propeller, the VIKING™ HD is equal to these tasks and more.
Yoke Options	A full range of rubber helmet yokes is available to fit all of the popular demand and freeflow helmets such as SL27/37/47 etc, AH3/5, Desco, Deepsea and Genesis.
Neck Seal	Fitted with a Surveyor latex neck seal as standard. Option: VIKING™ Quick Neck system, which allows for quick changing of broken seals.
Cuffs	Latex HD cuffs are the standard fitment. Options: A rubber cuff ring system or the VIKING™ Bayonet Ring System. Both systems make the fitment of rubber gloves and mittens possible.
Footwear And Attachments	The standard boot is an extension of the leg, with a heavy duty flexible rubber outsole stitched and taped to the end. The outsole features a non-slip surface for grip. The heel has a fin strap retainer. Alternative options are available.
Zipper	• Red/Black suits: Heavy Duty (HD) magnetic; 90 cm long • Black suits: Heavy Duty (HD) non-magnetic; 90 cm long The zipper is gas and watertight, and is placed across the shoulders.
Included With Each Delivery	Each suit comes supplied with suspenders, carry bag, user manual, repair kit and zip care materials.
