

Impact

Heavy Duty

## Heavy-duty impact gloves with superior grip, designed for emergency response situations

- **Heightened defenses:** ActivArmr® 46-551 heavy-duty impact gloves' double layer combines a seamless Kevlar® liner with INTERCEPT™ Cut Resistance Technology, ensuring cut and abrasion resistance for the entire hand\*
- **Improved grip:** With excellent grip, these extrication gloves offer secure hand protection against shattered windshield glass, sharp mangled metal, the hazards of tight, confined spaces, and hazardous liquids and blood
- **Enhanced features:** Thanks to their debris-excluding gaiter cuff, these cut-resistant gloves can also be rolled back at wrist level and worn as a gauntlet
- **Increased visibility:** ActivArmr® 46-551 impact gloves' highly visible yellow color further enhances wearer safety, averting potential workplace injuries in low light conditions

*\*including the back of the hand, wrist and between the fingers*

### Industries

- Mining
- Oil and gas

### Applications

- Pipe handling
- Scaffolding
- Drilling and Blasting
- Hydraulic set and testing
- Loading and hauling
- Crushing and unloading ore
- Rescue extraction from confined spaces
- Engagement and release of drill string slips
- Installation and dismantling of rigs
- Makeup and breakout tools
- General pumping work
- Preparation of site - set-up and disassembly of tool string
- Set-up of pressure manifold and tubing injector head
- Preparation of site - unloading of lines and valves
- Handling iron

# ACTIVARMR®

PERSONAL PROTECTIVE GEAR

## 46-551

Certified impact and high cut protection for heavy-duty extraction jobs

### Key Features

- **Kevlar® liner and INTERCEPT™ Technology:** Cut and abrasion resistance
- **Debris-excluding gaiter cuff:** Possibility to roll back and wear as gauntlet
- **HiViz™ yellow color:** Hand protection even in low light environments

### Performance Standards & Regulatory Compliance

### Technologies

**INTERCEPT™**  
Cut Resistance Technology
