AlphaTec™

62-401

Heavyweight, natural rubber, supported glove

Previously known as: VersaTouch® 62-401

Natural rubber-coated heavy-duty gloves, with a 100% cotton liner for optimal comfort

- **Elevated comfort:** Designed for heavyweight applications, AlphaTec™ 62-401 protective gloves' cotton lining provides excellent thermal insulation in hot and cold conditions, for assured comfort with intensive use
- **Enhanced grip:** These liquid-proof latex gloves feature a wrinkled finish, ensuring superb grip performance in wet and dry conditions
- **Advanced ergonomics:** AlphaTec™ 62-401 hand protection gloves are ergonomically designed to provide wearers with an optimal fit and excellent flexibility
- **Food handling compliance:** Ideal food safety gloves, they meet relevant FDA food handling requirements
- **Assured quality:** In addition, AlphaTec™ 62-401 industrial gloves achieve an AQL of 1.5
