

Previously known as: Universal 87-650

## Light-duty natural rubber gloves, offering enhanced comfort and chemical resistance

- **Improved durability:** Made from 100% natural rubber, AlphaTec® 87-650 light-duty protective gloves offer excellent sensitivity and tensile strength
- **Reduced allergy risks:** These work gloves undergo an internal and external chlorination treatment, reducing the risk of allergic reactions
- **Elevated comfort:** As AlphaTec® 87-650 hand protection gloves feature 100% cotton flocking and non-irritant lining, they ensure a softer feel and greater everyday comfort

### Industries

- Automotive
- Chemical
- Energy
- Maintenance

### Applications

- Chemical processing and preparation
- Janitorial use
- Assembly of parts
- Maintenance of plant and heavy equipment

Previously known as: Universal 87-650

### Key Features

- **100% natural rubber:** Sensitivity and superior tensile strength
- **Chlorinated inner and outer surface:** Fewer allergy risks
- **Pure cotton flocking:** Supremely comfortable personal protection

### Vulcanization Chemical Accelerators

- Natural rubber proteins
- Zinc Diethyldithiocarbamate

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.
