

48-126

Light Duty Multi-purpose Industrial Glove

Abrasion-resistant gloves, combining durable hand coverage with assured grip and tactility

- Improved practicality: These black work gloves conceal dirt and grime and are discarded less quickly, thereby providing a more cost-effective solution
- Increased protection: EDGE® 48-126 protective gloves are composed of a seamless knitted liner and an elasticized knitwrist that are reinforced by black polyurethane coating, which offer better flexibility and dexterity than cotton canvas and thick cotton gloves
- Enhanced comfort and dexterity: EDGE® 48-126 safety gloves are made of a 15-gauge polyester liner that meets workers' needs in terms of enhanced comfort and flexibility

Industries

- Automotive
- Electronics
- Machinery and Equipment
- Energy
- Transportation
- Utilities

Applications

- Assembly of small pieces
- General handling
- Packaging
- Quality inspection

48-126
