

HyFlex®

ADVANCED MECHANICAL PROTECTION

11-100

With Antimicrobial Technology*

Multi Purpose

Viral Protection

Light Duty

Uniquely protective lightweight industrial gloves, with Ionic+™ antimicrobial liner and coating

- **Specialized protection:** These HyFlex® gloves are the only industrial gloves designed with Ionic+™, an EPA-approved antimicrobial technology that leverages silver to protect from microbial impacts
- **Guaranteed touchscreen compatibility:** HyFlex® 11-100 safety gloves are designed to be touchscreen compatible
- **Elevated comfort:** ZONZ™ Comfort Fit yarn and stitch detailing ensures a tailored fit around stress areas, relieving the tension of repetitive motions
- **Improved durability:** HyFlex® 11-100 industrial working gloves' nitrile foam coating ensures longer glove life, with ANSI/EN-compliant abrasion resistance
- **Increased longevity:** Their coating also protects against bacterial-related odor, stains and fabric degradation
- **Certified compliance:** They are compliant with EU Biocides Regulation 528/2012 for treated articles
