

# HyFlex™

**48-130**  
Light-duty glove

Previously known as: Sensilite®

Multi Purpose

Light Duty

## Palm-coated light-duty industrial gloves

- **Improved durability:** Thanks to robust polyurethane coating around the palm area, these light-duty gloves boast excellent durability, satisfying EN level 4 abrasion resistance standards
- **Elevated comfort:** Designed with a seamless construction and available in a wide range of sizes, these HyFlex™ gloves also deliver an optimal fit and high levels of wearer comfort

### Industries

- Automotive

### Applications

- Final assembly of dashboard, cables and wires
- Final assembly of electronic components and mother boards

# HyFlex™

## 48-130

Light-duty glove

Previously known as: Sensilite®

### Key Features

- ♦ **Polyurethane palm coating:** Strong mechanical resistance and durability
- ♦ **Seamless construction and varied sizes:** Optimized fit and comfort

### Vulcanization Chemical Accelerators

- Natural rubber proteins

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.

### Performance Standards & Regulatory Compliance

### Technologies

**Touchscreen Compatible**
