

TouchNTuff™ 92-670

PRODUCT SUSTAINABILITY FACTSHEET

Manufacturing

Made in a facility:

54%

Running on 54% renewable energy ¹

From biomass

20%

Recycling min. 20% of water to reduce freshwater usage ²

Through reverse osmosis technology

>99%

Certified by Intertek for diverting >99% of waste from landfill ³

With accredited Environmental and Energy Management Systems ⁴

Certified to ISO 14001:2015 and ISO 50001:2018 by BSI

Packaging

Plastic-free ⁵

Recyclable ⁶

min. 70%

Packaging includes min. 70% recycled material ⁷

Shipper cases min. 90%, dispensers min. 70%.
