

## White heavy-duty PVC protective apron, for protection from chemicals, punctures, abrasion, oils, and more

- **Specialized protection:** The AlphaTec™ 56-101 white protective apron is made from 18 mil die-cut PVC material, which delivers chemical splash protection and helps it withstand oils, grease, punctures and abrasion
- **Optimized fit:** Designed with sealed grommets and 48-inch ties, wearers can easily adjust this PVC apron for a comfortable fit
- **Improved durability:** This AlphaTec™ protective apron's vinyl construction also ensures it remains durable over time

### Industries

- Food Processing
- Life Sciences

### Applications

- Storing and transportation
- Transferring liquids
- Packing of fillets and ground meat
- Plant disinfection and sanitization
- Equipment maintenance and repair
- Canning
- Bottling

# AlphaTec™
