

Multi Purpose

Light Duty

## Light-duty gloves, ensuring high dexterity and tactility in dry to slightly oily conditions

- **Augmented dexterity:** EDGE® 48-122 protective gloves are made from a 13-gauge polyester liner that is highly comfortable and dexterous
- **Reduced contamination risks:** These inexpensive white polyurethane gloves show dirt contamination more easily, thus increasing hand safety and hygiene
- **Elevated comfort:** Combining a seamless knitted liner with elasticized knitwrist dipped into white PU coating, EDGE® 48-122 industrial gloves provide better flexibility and dexterity than cotton canvas or thick cotton gloves
- **Added convenience:** These high-quality work gloves come in sizes 5 to 11 and are easily identified by their overedge color code

### Industries

- Automotive
- Automotive Aftermarket
- Electronics
- Energy
- Machinery and Equipment
- Transportation

### Applications

- Assembly of small parts
- General handling
- Packaging
- Inspection (picking, checking and marking)

#### Key Features

- **13-gauge polyester liner:** For flexible and dexterous work gloves
- **White-colored material:** For hygienic hand protection gloves
- **Seamless design:** Comfort, mobility and safety assured
