

R-353

Synthetic leather foam padded palm rope rescue glove.

Multi Purpose

Light Duty

Advanced rope rescue gloves, combining durability and dexterity for optimal effectiveness

- **Advanced durability:** RINGERS® R353 Rope Rescue Gloves feature a premium synthetic leather palm and fingertip patches, with cut-resistant Kevlar® stitching and heavy-duty leather between the fingers
- **Optimized user-friendliness:** Specially designed for rope handling, these safety gloves possess a foam-padded rope control channel around the palm, facilitating rescue operations
- **Improved dexterity and comfort:** Developed with F3 Technology™ and a dexterous fingertip design, they offer superb comfort and allow wearers to untie knots with ease
- **Enhanced features:** These RINGERS® gloves also boast a secure cuff closure with a TPR pull tab, enabling rescue workers to find a safe, comfortable fit

Industries

- Mining
- Energy

Applications

- Rescue extraction from confined spaces
- Maintenance
- Transport & Logistics
