

# ACTIVARMR™

## 47-200

Coated glove on fingers and palm with high breathability

Previously known as: Easy Flex® 47-200

Oil

Light Duty

## Nitrile-coated work gloves with excellent grip, offering a more durable alternative to cotton

- **Assured protection:** ActivArmr™ 47-200 lightweight nitrile-coated gloves provide greater abrasion resistance\* and hand protection against snags, punctures and cuts than standard 8oz/227g cotton or string-knit alternatives
- **Elevated comfort:** These ActivArmr™ gloves boast a flexible ergonomic design, with grip-enhancing nitrile coating on the fingers and palm, leaving the back of the hand with a cooler, more breathable feel

*\*they last 5x longer than standard cotton alternatives*

### Industries

- Automotive
- Automotive Aftermarket

### Applications

- Assembly & inspection of components
- Adjusting parts, systems
- Engine transmission and repair
- Assembling and mounting components
- Delivery of parts to production line
- Delivery of finished equipment
- Warehousing of raw materials
- Loading and unloading trucks and vehicles
