

Previously known as: MICROGARD® 2000 Hood - Model 503

Comfortable safety hood, featuring superior breathable microporous laminate technology .

- **Specialized protection:** The AlphaTec™ 2000 STANDARD Hood Bound - Model 503 is a proven protective barrier to low-concentration liquid chemicals, liquid and particulate biological hazards
- **Elevated comfort:** Thanks to its moisture vapor permeable fabric, this white breathable head covering grants comfort while protecting workers from heat stress
- **Optimized usability:** AlphaTec™ 2000 STANDARD Hood Bound - Model 503 also offers an optimized head fit, which boosts wearers' comfort and safety
- **Reduced contamination risks:** As this protective headgear is low-linting, it poses a lower risk of contamination

Industries

- Life Sciences
- Automotive
- Food Processing

Applications

- Veterinary Services
- Production line support & maintenance
- Maintenance of plant and machines
- Clean room cleaning and preparing
- Body painting including surface inspection
- Cleaning of plant and machines

KEY FEATURES & BENEFITS

- ◊ **Proven protective barrier:** Safeguards against hazardous chemicals
- ◊ **Moisture vapor permeable fabric:** Reduced heat stress risk
- ◊ **Optimized head fit:** For enhanced personal protection and comfort
