AlphaTec™

23-201

Mediumweight PVC supported glove with cotton knitted liner & sleeve

Previously known as: VersaTouch® 23-201

Long-sleeve PVC-coated gloves, ensuring comfort and dexterity even in cold conditions

- **Augmented dexterity:** AlphaTec™ 23-201 protective gloves' soft PVC coating ensures high levels of dexterity and pliability, even at low temperatures
- **Strengthened grip:** Their dipped sandblast finish gives them a rough surface, ensuring excellent grip in wet conditions
- **Elevated comfort:** Thanks to a 13-gauge knit cotton liner, these PVC-coated gloves also grant wearers high levels of comfort
- **Enhanced features:** Their heat-sealed extended sleeve guards against dust, resists liquids and ensures additional wrist protection
- **Food handling compliance:** AlphaTec™ 23-201 industrial gloves also adhere to relevant FDA and EU food handling requirements, making them suitable for varied food processing applications

Industries

- Automotive
- Food Processing
- Energy
- Industrial

Applications

- All food processing applications that have food contact
- Seafood processing
