Touchscreen-compatible impact protection gloves, with a padded palm for improved comfort

- Specialized protection: RINGERS® R163 impact gloves are developed with F3 Technology™ and a flexible-knuckle TPR (thermoplastic rubber) design, for hand protection without sacrificing dexterity and comfort
- Improved durability and grip: They feature a synthetic leather padded palm - enhancing comfort, grip and wear life - and a wear and tear-resistant wraparound index finger
- Enhanced features: These RINGERS® gloves also boast touchscreen-compatible thumb tips, index and middle fingers, reducing the need for frequent glove removal and improving workplace safety
- Heightened defenses: Their reinforced thumb, index and middle fingertips, coupled with a secure hook and loop rubber pull tab cuff closure, make for greater overall hand safety
